**New Red Cross  
Class Stresses  
Civil Defense**

The importance of equipping oneself with the proper know-how as the only sure means of coping with the effects of a grave disaster-emergency is being stressed here today by Red Cross officials.

To obtain this know-how, the Red Cross has urged homemakers to enroll in a special "Care of the Sick and Injured" course, which will begin Tuesday, 7 p.m. at the Lomita School, 2211 W. 247th St.

**Civil Defense Stressed**  
Mrs. Fred E. Johnston, chairman of nursing services, pointed out that the new course—a revised version of the home nursing course—includes specific Civil Defense training to meet the requirements requested by the Federal Civil Defense Administration.

The class will not only instruct individuals on how to care for their own family members, but will enable them to assist the professional medical staff in the event of a major disaster.

**Two-Hour Classes**  
Classes will be held every Tuesday and Thursday, 7 to 9 p.m., for three weeks, and registration should be made with the Torrance Red Cross Headquarters or the San Pedro Headquarters.

"Because the knowledge of what to do, and how to do it, could literally spell the difference between life and death, we are appealing to all household heads to enroll in this course," stressed Mrs. Johnston.

Those completing the course will be issued Red Cross certificates, qualifying them to serve with Civil Defense as nursing assistants in event of a national emergency.

**2 More Scout  
Camp Classes  
Slated Here**

Training sessions for the Girl Scout day camp unit leaders will continue at St. Andrew's Episcopal Church tomorrow and Monday. The sessions started last Monday.

Mrs. A. A. Krauszer, director of the training sessions, said that 231 girls and 48 adults have registered for the two day camp sessions which will be held from June 24 to 27 and July 1 to 3, from 9:30 a.m. to 3 p.m.

All attending the camp must be covered by insurance, including the Pixie unit, which include younger children who will be taken care of while mothers take over leadership, she said.

At a meeting of the Neighborhood Assn. of Girl Scout Adults last week, Mrs. Lee Stamps, chairman said that the group has been asked to support the sale of fireworks at the Scout Center, Inc., booth. Senior selections will be made in September, and she stressed the need for judges who are junior high leaders.
